CREATIVE AMERICA

Changing landscapes and new horizons as the nation turns 250

The Wallpaper*

Welcome to our annual Wallpaper* US400. Now in its fourth edition, this list serves as a snapshot of the individuals and practices shaping the conversation surrounding design, art, architecture, fashion, technology and more. This year's reveal coincides with the USA's 250th anniversary, a milestone that commemorates the country's independence. We couldn't think of a better group with which to celebrate that bold, and uniquely American, spirit
